

DATE: December 6, 2011
TO: Food Concessionaires
FROM: Bonnie Bruton, Concessions Coordinator
**SUBJECT: REQUIRED ELECTRICAL PLUGS FOR
ALAMEDA COUNTY FAIR 2012**

Dear Concessionaire,

The Alameda County Fair requires a special electrical plug of the pin & sleeve device, for all concessionaires to access power for their food trailers.

Vendors may purchase the plug at the distributor of their choice, ensuring that it is the Leviton described in the specification sheet attached. This plug will allow vendors to plug in and unplug at their desire. Please ensure that you also have the appropriate electrical cord that must attach to this plug device.

Vendors may purchase their plug at the distributor of their choice. I have listed below two companies that carry the plug. Please call me if you have any questions.

1. Consolidated Electrical Distributors

11345 Sunrise Park Drive
Rancho Cordova, CA 95742
916-638-7295 – Open 6AM – 5PM, closed weekends

2. Platt Electric Supply

5679 La Ribera St., Suite A
Livermore, CA 94550
925-449-6774
Open 6AM – 5PM-closed weekends
Closed

Thank you.

Sincerely,

Bonnie Bruton

Concessions Coordinator
