

Drone Policy for Alameda County Fair

In order to ensure the safety, security, privacy, and property interests of the Alameda County Fairgrounds, its employees, agents, contractors, and the public, any operation or use of unmanned aircraft systems, remote or radio controlled model aircraft in any size, shape, or form, or any other similar type devices is prohibited on the premises of the Alameda County Fairgrounds or within the Alameda County Fairgrounds air rights, without prior written approval from Alameda County Fairground's Marketing Department. Please be advised that the violation of this policy will result in immediate removal from Alameda County Fairground's premises. The violator may be subject to a criminal trespass warning or arrest for the failure to comply with the system. In specific, the following uses of technology are prohibited:

- Unmanned Aerial Vehicles (UAVs) also known as Drones

Please comply with the contents of this policy and the Alameda County Fairgrounds' system. Consequences may be severe, and can be problematic for both the violators and subjects violated.
